Dear Potential EWJRA Award Sponsor:

How our program works: Cowgirls & Cowboys compete in one of our five age divisions for year end points that are earned at our sanctioned rodeos throughout the season. In each division, with the exception of the little people category, the boys and girls compete separately. We award an all around saddle to the high point winning cowboy and cowgirl in each division and one to the high point winner in the little people division. Each age division competes in six different events and we award a custom made buckle to the individual winners of each event in every age category. We set a goal this year to provide awards through fifth place. The funding for these prizes comes from a number of sources ~ membership fees, a variety of fund raisers that we hold throughout the year, and from private sponsorships. We are asking to you please take a look the following sponsorship levels and consider helping us reach our goal for these kids.

Level	Description	Amount
1	One Trophy Saddle: We award nine of these saddles to the high point cowboy and cowgirl from each age bracket.	\$1,000
2	A package that sponsors the 2 nd place awards in each event of a specific age group.	\$450
3	A package that sponsors the 3 rd place awards in each event of a specific age group.	\$300
4	Sponsor one custom-made buckle to be give as a first place award in one of our events.	\$100
5	Sponsor one 2 nd place award.	\$75
6	Sponsor one 3 rd place award.	\$50
7	Sponsor one 4 th place award.	\$40
8	Sponsor one 5 th place award.	\$30

All Sponsors will receive recognition for the level of their donation in the Competitor News which is published bi-monthly, on the EWJRA website (www.ewjuniorrodeo.org), and all EWJRA sponsored events.

The Competitor News is a bi-monthly news magazine distributed throughout Washington, Oregon, Idaho, Montana, Wyoming, Arizona and California. It serves as the official publication for over 20 rodeo associations across the West. Awards sponsors are listed year round in the Association portion of the magazine. The EWJRA maintains a page in this magazine and it serves as the official publication for our association. This is an excellent way to get the fact you support junior rodeo and to get your company's name in front of many thousands of residents of the Inland Northwest and beyond.

The EWJRA website is used as the main information source for our members as well as others interested in junior rodeo. We have established a location on this site specifically designated to recognize our generous sponsors.

Another benefit to being a sponsor of the EWJRA is that the announcers at all of our sanctioned rodeos across the Inland Northwest are provided with a list of EWJRA sponsors. Sponsors are repeatedly recognized in this way as our Association moves across the Inland Northwest on our circuit.

We appreciate your willingness to consider supporting junior rodeo and the young people that compete. Our association promotes sportsmanship, responsibility, hard-work, and willingness to learn and promotes a good healthy family atmosphere. Our membership consists of children in Eastern Washington, Northeastern Oregon, and Northern Idaho. We hope you will choose to support our fundraising effort by filling out the enclosed form and sending it in as soon as possible.

THANK YOU FOR YOUR CONSIDERATION!
